THE DESIGNERS – PROJECT TEAM

P&T CONSULTANTS

The P&T Group is an award-winning, global design firm, providing clients with innovative, commercially successful and sustainable design solutions since its inception in 1868. Consistently ranked among the top architectural firms in the world with almost 2000 architects, engineers, planners and designers operating in over 100 cities across more than 40 countries.

With over 150 years of unparalleled design experience in the world's emerging and developed countries and more than 20 offices and associated offices in Singapore, Hong Kong, China, Thailand, UAE, Vietnam, Indonesia and other countries, P&T Group is one of the largest Architectural and Engineering practices in the world.

P&T Consultants Pte Ltd of Singapore is a member of the P&T Group with about 300 staff under its employment. The practice has successfully completed a wide range of prestigious projects, both in Singapore and overseas, including a significant number of iconic and award-winning projects of various typologies and scales.

Examples of Past Projects: Park Nova (Singapore), Grand Dunman (Singapore), The Marq (Vietnam), One Central Ningbo (China), Raffles City Chongqing (China)

932 DESIGN

Driven by a singular ethos: Simplicity Prevails.

932 Design Group delivers refined interiors across Asia. From Frame Award-winning projects to Michelin-starred restaurants, we craft and refine quiet, high-end spaces.

Examples of Past Projects: One Holland Village Residences, Thevar Singapore

ECOPLAN ASIA

ECOPLAN Landscape Architects & Planners is a professional firm that provides landscape architectural planning and design services to clients in both the public and private sectors.

As project size and public awareness of the environment grow, more development projects require site planners and landscape architects. We are a group of innovative landscape architects and planners who work very closely with architects, engineers and quantity surveyors forming an interactive consulting team, each contributing to the planning, design, and construction of any development project.

Examples of Past Projects: Leedon Green (Singapore), Alex Residences (Singapore), Alila Villas Koh Russey (Cambodia)
