01

The Address

A rare freehold address

Freehold tenure — an increasingly scarce proposition in prime central Singapore.

7 Bassein Road, **District 11** — the coveted Novena planning area.

A single 28-storey tower of **133 residences**, set on approx. 51,395 sqft.

Green Mark Certified, with a clubhouse, pool, tennis court and communal gardens.

12

Years since the last new launch in this pocket of Novena.
The Serra Residences arrives as the precinct's first-mover
— a distinct advantage for early buyers.

Architecture with intent

A sculpted 28-storey form by P&T Consultants, with interiors by 932 Design Group and landscaping by Ecoplan Asia — a considered address, inside and out.

02

The Location

An eight-minute stroll from Novena MRT and mere minutes from major medical institutions, The Serra is also within 1km of sought-after schools such as St Joseph's Institution Junior and Hong Wen Primary School.

In this prime central enclave, The Serra stands as the precinct's first new launch in 12 years— offering residents a distinct first-mover advantage.

At the heart of District 11

The medical hub

Steps from HealthCity Novena — Tan Tock Seng, Mount Elizabeth Novena and the region's leading specialist centres on your doorstep.

Sought-after schools

Within 1km of St Joseph's Institution Junior and Hong Wen Primary, with Anglo-Chinese School and more a short drive away.

Lifestyle & retail

An 8-minute stroll to Novena MRT, minutes to Orchard Road and the New Dempsey lifestyle enclave for dining and greenery.

03

The Lifestyle

A private resort at home

Resort facilities

A swimming pool, a full tennis court, a residents' clubhouse and landscaped communal gardens — an unusually generous facilities deck for a boutique address of this scale.

Built to endure

Green Mark Certified, with 109 carpark lots including five EV-charging bays and 23 bicycle lots across a two-storey carpark and basement — sustainability designed in.

Space to unwind

Swimming pool and sun deck
Full-size tennis court
Residents' clubhouse
Landscaped communal gardens
